16:00	16:15	Break		
16:15	16:45	Applying for Computer Science at Oxford (repeated)		
16:45	17:15	Mock interview (repeated)		

We give priority to prospective students wishing to attend our sessions. We will normally only be able to admit a maximum of one guest per prospective student to the above sessions, however further guests will be welcome where space allows.

*If you attend the "**Computer Science at Oxford talk**" session here in Computer Science, there is no need to attend an admissions talk at one of the colleges. College talks will be subject-neutral, but will cover the same basic information.

Please see <http://goo.gl/VQHkCe> for further information about the University open days.
