

Application for permission to add a Mathematics topic to Schedule B3

Name:

College:.....

**I would like to seek permission to take Mathematics Part B, Paper.....
under schedule B3 of FHS Mathematics & Computer Science for examination in 2012.**

Tutor's signature:.....

Candidates must take **at least** 2 half units of Mathematics from Schedule B3 (B1, B2, B4, B5 B9, B11a and B12a), but in addition candidates may apply to take other topics from the list of Mathematics Department courses, History of Mathematics and Applied Probability.

Please return this form to Leanne Carveth, Computing Laboratory by Monday of week -1 of Michaelmas Term, 2011. The Teaching Committee will consider your request and advise you of the outcome ASAP. Please note that it will not be possible to guarantee that any such addition can be scheduled to avoid a timetable clash.
