

**Final Honour Schools of Computer Science  
and Mathematics and Computer Science**

**Part B Examination 2008**

**Second Notice to Candidates  
from the Examiners in Computer Science**

**Calculators:** The Regulations (pp. 211, 347) state that “The use of calculators is generally not permitted but certain kinds may be allowed for certain papers.”

This is to confirm that the only papers for which calculators will be allowed are Intelligent Systems I, Intelligent Systems II, and Machine Learning. **For these papers only** candidates may bring into the examination room one calculator from the list of types that follows: CASIO fx-83 (any model), CASIO fx-85 (any model), SHARP EL-531 (any model), or any calculator that is permitted for papers set in the Honour School of Engineering Science.

Dr David Walker  
Chairman of Examiners  
Final Honour Schools of Computer Science  
and Mathematics & Computer Science  
(Trinity Term 2008)
