MSc IN COMPUTER SCIENCE

Course selection form for Hilary and Trinity Term 2016

Please indicate below which courses you propose to take in Hilary and Trinity Term, and obtain your supervisor's approval. **The completed form needs to be returned to Sarah Retz in room 112 no later than Monday of week 4 of Hilary Term (8th February, 2016).** Please return this form earlier if you have already made your choices.

It is typical for students to study three courses in each term and those intending to study four courses should exercise caution. It is recommended that you not undertake more than four courses in any one term. In any case you must complete at least 28 units but not more than 34 units of topics in all, and you need to have achieved an average of at least 50 (pass) in 24 units of topics by the beginning of Trinity Term in order to be able to continue with the course.

You cannot take more than 12 units from Schedule A. To pass the taught part of the course you need to attain an average of at least 50 (pass) in your best 28 units of topics
