

MOSAICS Software

End-User Licence and Source Code Download Page

Please review the following licence before downloading the software.

LICENCE

Copyright notice:

Methodologies for Optimization and SAmping In Computational Studies (MOSAICS) versions [-3.9],
© Peter Minary 2007, <http://www.cs.ox.ac.uk/mosaics> <http://csb.stanford.edu/mosaics>

The Software is and remains the property of Peter Minary ("the Author"). The Licensee will ensure that the Copyright Notice set out above appears prominently wherever the Software is used.

The Software is distributed under this Licence:

- on a non-exclusive basis,
- solely for non-commercial use in the hope that it will be useful,
- "AS-IS" and the Author makes clear that no condition is made or to be implied, nor is any representation or warranty given or to be implied.

The Author disclaims:

- all responsibility for the use which is made of the Software; and
- any liabilities for the outcomes arising from using the Software.

The Licensee may make public, results or data obtained from, dependent on or arising out of the use of the Software provided that any such publication includes a prominent statement identifying the Software as the source of the results or the data, including the Copyright Notice and stating that the Software has been made available for use by the Licensee under licence from the Author.

The Licensee agrees to indemnify the Author and hold him harmless from and against any and all claims, damages and liabilities asserted by third parties (including claims for negligence), which arise directly or indirectly from the use of the Software or any derivative of it or the sale of any products based on the Software. The Licensee undertakes to make no liability claim against the Author, in connection with this Licence or the Software.

No part of the Software may be reproduced, modified, transmitted or transferred in any form or by any means, electronic or mechanical, without the express permission of the Author. The Author's permission is not required if the said reproduction, modification, transmission or transference is done without financial return, the conditions of this Licence are imposed upon the receiver of the product, and all original and amended source code is included in any transmitted product. You may be held legally responsible for any copyright infringement that is caused or encouraged by your failure to abide by these terms and conditions.

You are not permitted under this Licence to use this Software commercially. Use for which any financial return is received shall be defined as commercial use, and includes (1) integration of all or part of the source code or the Software into a product for sale or license by or on behalf of Licensee to third parties or (2) use of the Software or any derivative of it for research with the final aim of developing software products for sale or license to a third party or (3) use of the Software or any derivative of it for research with the final aim of developing non-software products for sale or license to a third party, or (4) use of the Software to provide any service to an external organisation for which payment is received. If you are interested in using the Software commercially, please contact the author to negotiate a licence. Contact details are: peter.minary@gmail.com quoting reference MOSAICS.
