## SME BURSARY APPLICATION FORM

A limited number of bursary awards are available to support participation by employees of Small-to-Medium enterprises based in the European Economic Area. These have the effect of reducing fees for subsequent course attendance and graduate study by 50%. The total fee reduction for any one individual will be limited to 50% of the expected cost of an MSc. In the event of a change in employment, the award will be withdrawn, and standard fees will apply once again. You may use this form to apply for an award; company registration (using Form SEP04) is also required.
